August 31, 2010

Dear Jan,

It is my honor and privilege to congratulate you on the success of New Directions. It is with great respect that I pay tribute to your dedication and service to the women and children in your community. I am inspired by your willingness to use your talents and abilities to make a difference in the lives of the people you serve. I would also like to recognize the countless volunteers who give their time so graciously.

Proverbs 11:25 says, "A generous person will be enriched, and the one who provides water for others will himself be satisfied." Your dedication to serving others is an inspiration to the lives you touch as well as your entire community. Thank you for being a champion and a beacon of light for the women and children who are in need of compassion.

I look forward to hearing more about your success in the years to come. You are a treasured citizen of Indiana and it is my hope that you never lose your passion for serving others.

Sincerely,

Mike Pence Member of Congress Sixth District, Indiana
